# SETTLE.

**SEATING THAT  
MAKES YOU FEEL  
AT HOME.**

**SETTLE** multifunctional seating furniture creates a warm and welcoming office atmosphere that will inspire everyone.

Soft shapes, high quality materials and finely

sculptured contours increase the level of comfort and relaxation, while unobtrusive sled-base frames and slim back panels convey a sense of lightness.

Settling  
down and  
getting  
together.

**A PLACE FOR  
ENCOUNTERS.**

SETTLE offers the ideal solution for collective zones as well as representative areas. Standard components include two or three seater units, cor-

ner elements and arm-rests, all available in a variety of colours to suit your office environment.

**DESIGN:** PearsonLloyd

A modern office consciously brings people together, because creative ideas evolve more quickly in a collective. Just like friendships do.

## COMFORT IN THE OFFICE.

---

**SETTLE** guarantees you a comfortable atmosphere in the office. A high backrest provides privacy and acoustic protection, while an integrated plug board enables small groups to work with electronic media. A table fitted to the rear offers space to work from.

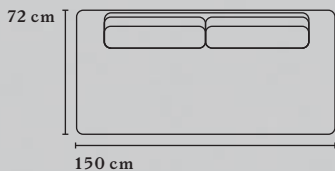

Be it an informal exchange, work meeting or coffee break, all communication forms flow freely here.

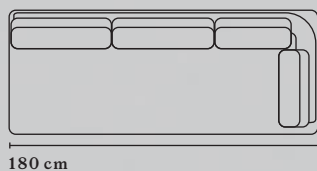

## BACKREST LOW

double seater  
backrests mid-position

triple seater  
armrest left or right
